(Limerick, Pennsylvania) –On February 16, the Perkiomen Valley Chamber of Commerce held its “[PV Stars, Best of the Valley](#)” gala event.

The Victory Bank was one of three final nominees for “Medium Business of the Year”. Winners were determined by a select chamber committee who chose winners based on their impact in the community, whether it’s business-related, community service-related, etc.

In typical PV Chamber style, it was a grand event with over 120 people in attendance. Local business owners, humanitarians, politicians and more attended the annual event to show support for each other and the community in which they serve.

**The Victory Bank was named the PV Stars, Best of the Valley, “Medium Business of the Year 2016”.**

Congratulations to all of the bank employees! To be nominated by our clients, and chosen a winner by the committee, is a great honor that everyone should be quite proud of!!
