

Quicken for Windows Conversion Instructions

Quicken for Windows - Express Web Connect

Introduction

As **Victory Bank** completes its Bill Pay system conversion, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **[User ID and Password]** for the **Victory Bank Online Banking interface**.

NOTE: Quicken Web Connect/Express Web Connect accounts use the same User ID and PIN/Password as **Victory Bank's** website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

IMPORTANT: Quicken Express Web Connect aggregation services may be interrupted up to 3-5 business days after the conversion is complete.
