Joseph W. Major, Bank Leader, Chairman & CEO, stated, "We are pleased with the core performance of the bank in the second quarter, as measured against past years' performance and our three-year operating plan. Credit metrics and net interest margin remained stable, expenses were controlled and on budget, and the bank showed excellent growth and consistency in most areas. Our focus in the second quarter has been protecting the safety of our employees and clients while expanding our services to businesses and individuals in their crucial time of need while building loan loss reserves in anticipation of possible increased credit losses. During the second quarter, The Victory Bank team members worked tirelessly to close over \$60 million of Small Business Administration Paycheck Protection loans (PPP), processing approximately 577 loan applications, helping businesses in our communities protect 7,277 local jobs."

Also, during the second quarter, Victory Bancorp completed the issuance of \$10 million of 10-year, fixed to floating subordinated debt, to be used to bolster the bank's capital ratios and allow for continued growth and stability.
